CENTRAL INTELLIGENCE GROUP

artment is in constant.

ones permanently armed with pistols. The whole department is in constant dread of this section. The building of the Intelligence Section which is situated at 152, Polish Army Avenue (Aleja Mojska Polskiego), Stettin, is kept under strict security.

- 13. Unit No. IV covers the sea front from Stettin to Gdansk. No particulars are known.
- 14. The Chief of Staff of Unit No. III is Captain Zygmunt Kropiwnicki, who was an officer before the war. Every Sector headquarters has its own Staff and Office.
- 15. The lectures organized by political officers give the soldiers information on current world events, and spread propaganda against Polish war emigres who do not return to Poland.

This document contains information affecting the national defense of the United States within the meaning of the Espionage Act, 50, U.S.C. 31 and 32 as amended. Its transmission or the revelation of its contents in any manner to an unauthorized person is prohibited by law.
